

STUDENT MEMBERSHIP ADMISSIONS CHECKLIST

In accordance with the PROFESSIONAL ENGINEERS (REGISTRATION) ACT CHAPTER 326:03,
Article III Membership.

Student Members: Every candidate for the election to the class of Student Member shall be a person who, at the time of his application, shall be actively pursuing a course of studies leading to an academic qualification acceptable to the Board. No person shall remain in this grade for more than 10 years and must provide proof of this on or before the expiration of the registration period (31 December).

1. Completed Application Form
2. Proof of payment for Non-Refundable Application Fee (\$5)
3. Evidence of Academic Qualification
4. Letter from the University or College confirming that you are actively pursuing a course of studies from an accredited engineering program leading to an academic qualification acceptable to the Board of Directors of APEB.
5. Copy of official identification for Belizean Students: Social Security Card or Passport
6. Parent consent letter for applicants below the age of 18.

Once accepted, the yearly membership fee is \$20.00

NOTE: In order to renew the student membership, the candidate must submit updated evidence (issued within the last 3 months of renewal application) that they are actively pursuing a course of study leading to an Engineering degree.
